

Package ‘fqadata’

April 14, 2023

Title Contains Regional Floristic Quality Assessment Databases

Version 0.0.0.9000

Description Contains regional Floristic Quality Assessment databases that have been approved or approved with reservations by the U.S. Army Corps of Engineers (USACE). Paired with the 'fqacalc' R package, these data sets allow for Floristic Quality Assessment metrics to be calculated. Both packages were developed for the USACE by the U.S. Army Engineer Research and Development Center's Environmental Laboratory.
